SIR

Adverting to Government Order No L 675-6/Ml 237-33-2 dated 25th July 1934 sanctioning the proposal of the Municipal Council of Honnali for the grant of the site situated to east of the Old Barr line in Honnali Town free of cost for the construction of a shed for keeping a car newly prepared for the Mamrai Institutions in the town and directing that the value of the site proposed to be given may be reported etc I have the honour to state that it is reported that according to the sketch enclosed the site proposed to be given by the Council in their resolution passed on 31-1-34 measures 100 square yards (10" x 10") but not 100 sq feet (10' x 10') as now sanctioned in the order referred to above and that the value of the site proposed to be given is estimated by the Mahazardars at Rs 25/- which works up to annas four per sq yd In these circumstances I request that the orders of Government may be obtained for the grant of a site measuring 100 square yards (10" x 10") as proposed by the Council instead of a site measuring 100 square feet (10' x 10') as sanctioned in the Government Order referred to above

The file of correspondence ending with the President's report No 46/34-35 dated 25-8-1934 is forwarded herewith for reference and return
